

PRIMARY CONCEPTS IS ON THE MOVE!

***LAST DAY OF SHIPPING FROM BERKELEY IS
FRIDAY, SEPTEMBER 30TH***

Primary Concepts is on the move!

We are moving out of Berkeley. Staring at a 62% lease increase on our Berkeley headquarters combined a lack of available labor for our warehouse and assembly staff, it is time to move on. Fortunately, we have the opportunity to move our operations into a spacious distribution center with a scalable workforce and a more automated assembly department!

Friday, September 30, 2022 will be our last day shipping from the Berkeley facility. At that point, we will be moving inventory, supplies, etc. from Berkeley to our new expanded Tracy operations center. We expect the process to be fully completed and operational in 2-3 weeks. We apologize for the disruption that will undoubtedly occur as we move on to our new location. The end result will be a vastly improved service level!

All administrative services and offices will consolidate at our Oregon office space. Effective immediately, all remittance and correspondence should be addressed to:
